INTERNSHIP & RESEARCH EXPERIENCE

OGILVY, CHINA

Remote internship, Manager Assistant, Department of Marketing

- By conducting a comprehensive analysis of the client's current position in the fast-moving consumer goods (FMCG) industry and benchmarking against the top 10 FMCG companies worldwide across 8 dimensions, we evaluated existing marketing strategies, diagnosed areas for improvement, and subsequently implemented a comprehensive marketing solution for the client.
- Assisted in selecting advertising agencies or brand ambassadors, conducting background research on their profiles, and obtaining contact information.
- In collaboration with colleagues, We translated documents from Chinese to English, resulting in the production of 50 files and reports for brand events to promote in global social media platforms.

IFENG.COM, Xi'an, China

Intern, Department of Editorial and Publicity

- Utilizing iMovie and GarageBand, we produced and edited videos and background music to drive our company's online promotion efforts and gather newsworthy material.
- Developed and published online posts (comprising images and edited articles) from our company's official accounts on social media platforms such as WeChat public account, newspaper and magazines and Weibo,etc. This initiative attracted 20,000 readers, expanding the company's global fan base and increasing visibility.

CHAOS PR , NEW YORK , US

Intern, Public Specialist and Editing

- I developed collaborative project plans, edited promotional copy, produced promotional video edits, engaged in brand communication, and negotiated contracts.
- I managed social media accounts, posting 15-20 times on each platform, each post garnering over 100 likes and comments, resulting in collaborations with over 10 new brands.
- I researched blog authors, negotiated partnerships with institutions, and devised budget plans for each opening event. • I was responsible for inviting 5 platforms of bloggers, conducting research for comparison, aiding the organization in selecting the most suitable KOLs and outreach to 100+ global influencers. And exposure and conversion rates increased by 50% finally.

Velvet.Co

New York fashion PR + social media

- Responsible for the PR connection between brands and artists, assisting brands in selecting and shipping clothes, managing the selection of products in the New York showroom and weekly self-media shooting plans, responsible for vlog inspiration creation, operating the company's self-media accounts, publishing 10 Reels on various platforms, increasing traffic exposure and conversion by 50%, increasing a large number of trendy brand cooperation, and expanding the international track for domestic brands.
- Research international fashion bloggers and celebrities, select contracted VIP bloggers or KOLs for cooperative fashion brands, manage showrooms and make stylists to match and select clothes for celebrities, record the monthly shooting output, select pictures for release and exposure, improve the publicity and development of domestic brands on IG, formulate brand pop-up store plans internationally.
- Formulate budget plans for each opening event, and plan activities for cooperative brands at New York Fashion Week, participate in the design and promotion of brand pop-up store activities in New York, help promote the cooperation project of Heytea x Sandy Liang, influencers outreach and be responsible for inviting customers and increasing KPI and bonus, etc.
